

Policy for Employees on Business Visas in KSA (Long-term Deputation)

Introduction

At Novigo Solutions, we understand the importance of work-life balance and recognize the needs of our employees who hold Business Visas and are on long-term deputation onsite. This Policy is designed to provide guidelines for such employees regarding their leave entitlements, accruals, and procedures for availing leave.

Annual Leave

Employees holding Business Visas and are on long-term deputation are entitled to 12 days of annual leave per calendar year while onsite.

Every month you will have an accrual of 1 day of leave. Hence you will be entitled to take just one day of leave in a month and any more leaves are considered as LOP.

Exit & Re-entry; you are allowed to take two days off, anything above two days would be considered as annual leave and the leaves will be deducted accordingly.

Leave Encashment

The leave settlement will happen at the end of every month any unused leaves will be paid at the end of the month along with your salary.

Employees whose Visa status moves from a Business Visa to a Work Visa. Also, when an employee comes back to India from a long-term deputation due to a Project end. The leave policy will be aligned to offshore or work visa type.

Leave Application Process

All leave requests should be planned well in advance.

Employees are required to submit their leave requests via the Keka platform.

In addition to the Keka application, employees should also send an email to their respective managers, copying HR at hr.operations@novigosolutions.com, to notify them of their leave request.

Leave Approval

Leave requests will be subject to manager approval based on business needs and workload. Managers are encouraged to consider the timing and impact of the employee's absence on the team when approving leave.

Reporting and Compliance

Employees are expected to report to work on their scheduled return date after taking leave.

Non-compliance with this policy may result in appropriate disciplinary action.

Policy Review

This policy will be periodically reviewed and may be updated to align with changing business needs and legal requirements. By adhering to this Policy, we aim to provide employees on Business Visas with a clear and fair framework for managing their leave entitlements while ensuring business continuity. If you have any questions or require further clarification, please contact the HR department.
